Re: *Notice of Ex Parte Presentation - Viya Telephone and Viya Wireless (WC
Docket No. 10-90)*

Dear Ms. Dortch:

On December 13, 2017, Alvaro Pilar, the CEO of Virgin Islands Telephone Company dba Viya Telephone, Vitelcom Cellular, Inc. dba Viya Wireless, and Choice Communications, LLC (collectively, "Viya") met with Chairman Ajit V. Pai and his staff members Michael Carowitz, Dr. Jay Schwarz, Zenji Nakazawa, and Ryan McDonald. Also in attendance were Douglas Minster, Vice President, Government and Regulatory Affairs; and Rohan Ranaraja, Director, Regulatory Affairs, for Viya's parent company, ATN International Inc.; and Kathleen Q. Abernathy and the undersigned of this firm.

In the meeting, Mr. Pilar described the devastation caused by Hurricanes Irma and Maria in the U.S. Virgin Islands, and in particular the extensive damage to Viya's wireline and wireless networks. Mr. Pilar thanked the Chairman for the Commission's quick and decisive action thus far to aid carriers affected by the storms, and urged the Chairman to authorize the disbursement of additional universal service support for the restoration of essential services, both wireless and wireline, in the Virgin Islands.

Sincerely,

/s/
L. Charles Keller
